2021

AUGUST 10-12, 2021

CLEVELAND, OHIO

The world of live events is ever-changing right now!

That's why the PMTS Show Committee has voted to offer a Space Investment Protection Plan (SIPP) to give 2021 exhibitors peace of mind with their PMTS commitment. We recognize that COVID-19 has brought many changes so quickly and we are committed to securing your investment amidst this disruptive environment. This protection plan is completely optional and will allow you to cancel your booth up to 60 days before PMTS and receive a full refund.
